Eligible Skiers placed as per rule 14.15 May ranking List may be entered as individuals by their Federation. However, an eligible skier can compete in any one of the Age Divisions in which he/she falls.

(Example: a 76-year-old skier may choose to compete in any one of the 35+,45+,55+,65+,70+,75+ divisions)

A skier eligible or qualified in more than one of the Age Divisions can compete only in one which must be the same, in all events throughout the competition.

The following lists of eligible skiers in each event by Age Division reflects this situation, so a skier may appear in several Age Division lists but may only compete, in the Championships, in one.

The chosen Age Division must be declared, in the IWWF Event Management System (EMS), when the competitor (individual) is entered.
