

Notes regarding the use of the Ranking List Waterski

- For any question, contact the **Chair of the World Waterski Council** WaterskiChair@iwwf.sport
- The Ranking List is updated on a daily basis with the latest uploaded results. Filters per Confederation, Federation, age category/division, event, year, month, gender and athlete's name are available
- For the details of competitions counting for the Ranking List of a skier click on the "Athlete's Name" on the screen
- Reminder of the basic rule: you need at least two results on two different waterski lakes to be eligible to the Ranking List
- If you are missing a result on the skier's details, check whether the results of the competition have been uploaded under the IWWF Calendar on the EMS public front page. If not, contact the Organiser or the Scorer of the competition and ask him/her to make sure that the results of the competition are uploaded or report the case to the Chair of the World Waterski Council
- Click on the respective category you want to consult or use the green "Expand All" button on top right to open all age categories/divisions at the same time
- Link to the World Waterski Rulebook: <https://iwwf.sport/disciplines/waterskiing/>
- The EMS World Ranking List includes now also the age categories/divisions U10, U12, O70, O75, O80, O85
- You need a proof of ranking for your school or sponsor? Use the filter function, search your name, event and age category, click "expand All" and make a screenshot to print out. Example:
