#### ALL DIVISIONS

SEEDING the Pan Am Championships would be tried in 1998 for one time only and then reviewed to see how it worked before making a new policy change .(Aug. 1998) The tournament should be run, if possible, with the classification of at least “L” **The Pan Ams will be seeded.(2006)**

JUMP HEIGHTS: (Minutes Aug 1998) For advancing from 1.65m ramp height to 1.80, it takes a proven performance of 50m. For advancing from 1.50m to 1.65m ramp height, it takes a 38m proven performance. Should be sent in with the entry (i.e. IWWF rule)

CHIEF JUDGE will set the ultimate deadline for declaring jump heights. (Aug. 1998)

ONE SKIER from each country may ski in both their divisional team (by age) and on the Open Team, if so qualified. (1994)

#### PRACTICE:

##### *Practice at the Pan Am Championships*

Must be fair and equal for all Federations

Must be listed in the bulletin with details of how it will run

No skiing during any Awards Ceremony

No skiing during the Opening Ceremony

No skiing after the competition until the first segment is complete

After a segment of the competition starts, no participating athlete will practice on the competition site

At the end of the first segment of the competition (under 14, Jrs., Veterans), if there is over two hours of day light/ski time remaining and it was listed in the bulletin as a possibility, there could be extra practice time on a fair and equal basis. The Chief Judge will decide if the time is available before practice can be planned and posted.
