36	Closing Statement for Bulletin 1

It is with great pleasure that we warmly welcome members of the ski racing fraternity to the 2011 IWWF World Water Ski Racing Championships.

This is the 5th time that Australia has hosted the IWWF World Water Ski Racing Championships and the first time that Ski Racing Australia has conducted this prestigious event. It is also the first time that the event has been presented in this glorious state of Queensland. The hardworking Ski Racing Queensland Committee epitomises the dogged determination of Queensland to overcome all obstacles to ensure that every visitor to this great state enjoys every moment here and leaves with wonderful memories not only of the outstanding beauty of Queensland but also the generosity of spirit that exists in all Queenslanders.

We have designed excellent courses and we know that this will be a safe and fair IWWF World Water Ski Racing Championships.

We look forward to greeting you in September in Redcliffe when old friendships will be renewed and new, lifelong friendships will be formed.

Jan Thurgar

Chairman of the 2011 IWWF World Water Ski Racing Championships.
